

# Introducing our **NEW** App

## OurPeople

**Broadcast** - Can be a single card or a 'stack' of cards that deliver information to the palm of your hand

**Cover** - Ability to Request Cover and have Admins Assign Cover right from the App

**Events** - Accept an event and attach the reminder to whichever calendar app you use

**Smartforms** - Workplace productivity made simple, checklists, forms, and status tracking

**Files** - Permission-driven folders

so you see what is important to you

**Chat** - Topics, DM management, auto-join topics, and doesn't need to share you phone number

## AND MORE!

**Download  
the App here!**
